Department of Adult Continuing Education & Extension (DACEE)

Introduction

- The Department of Adult, Continuing Education and Extension had its beginning as the Adult and Continuing Education Cell in 1978.
- It was upgraded in 1982 as the Centre for Adult, Continuing Education and Extension with the aim of planned involvement of the university and colleges in community extension activities.
- The Department was accorded statutory status as a full-fledged department in 1985, under the Faculty of Social Sciences. The Department is continuously striving to establish university - community interaction and enrich its regular programmes of M.A., M.Phil., Ph.D., Short-term Courses and VISTAR program, among other.

Vision

- To Establish a strong university-community interaction for generating an insight into the problems of the community and influencing reforms in teaching learning process along with producing extension professionals and disseminate knowledge & technology to the socio -economically backward people.

Mission

- To forge and enhance linkages of the University with communities
To create human resource for scientific management and monitoring of extension programs in various areas of development.
- To help produce extension educationists and scientists.
- To build knowledge base in the third dimension of higher education i.e. extension, through teaching and research.
- Dissemination of scientific knowledge and technology for ameliorating the conditions of socially and economically backward sections of the society
